

PFERD large diameter cut-off wheels

Fast cutting – long life

PFERD wheels are developed, tested, and manufactured to the highest quality standards. Using the latest research and development processes, PFERD will create custom-engineered solutions to meet unique customer requirements, all while achieving the highest levels of efficiency, productivity and cost-effectiveness.

Proven Quality

Custom-engineered Solutions

Maximum Productivity

All wheels 1 meter and larger are CT (conical taper) to prevent jamming.
