

## “Rental Equipment for Construction, Industry or Home”

### Construction/Industrial Rental Equipment

#### Trailblazer® 302

- 20–300 amps DC; 30–225 amps AC
- 10,000 watts of generator power with exclusive two-generator system
- No interaction between power tools and the welding arc
- Fully enclosed case decreases sound
- 12 gallon fuel capacity

#### Big Blue® 400

- Diesel engine-driven welding generator designed for fleet applications.
- Provides CC/CV weld output for professional quality Stick electrode, TIG, MIG and Flux Cored wire welding, plus Air Carbon Arc gouging.
- Automatic engine shutdown protects engine if low oil pressure or high coolant temperature occurs
- Industrial-grade, sealed marine ignition switch with starter interlock

#### XMT® 350 CC/CV

- Outstanding multiprocess inverter with built-in features providing the ultimate in productivity.
- 350 amps of welding output at 60% duty cycle enables improved deposition through using larger diameter electrodes common in construction applications.
- Auto-Line™ Power Management technology allows for any input voltage hook-up (208-575V) with no manual linking, providing convenience in any job setting.

#### XMT 350 Rack (4 units)

- Enclosure for up to six inverter power sources in one versatile and space-efficient package.
- Ideal system for onsite applications including high-rise construction, process plant and petrochemical.
- Operates with primary voltage from 208 to 575 VAC and is equipped with "finger safe" fuses to comply with NEC guidelines.
- Racks have two lifting eyes for transportation and rugged skids for dragging and pushing.

#### SuitCase X-Treme 12VS

- Universal wire feeder loaded with features and designed to mate with almost any industrial DC output welder in your rental fleet.
- Compact, portable construction designed for reliability and performance under harsh field conditions.
- Improved contactor and overall duty cycle for high-amperage applications (425 A at 60%)

#### Maxstar® 150 STL

- Maximum portability, dependability and performance in a precision welder designed for the installation contractor.
- Auto-Line™ circuitry automatically connects to 115-230 VAC, single-phase power
- Lift-Arc™ start provides TIG arc starting without the use of high frequency

#### Spoolmatic® 30A

- Engineered for operator comfort, the Spoolmatic 30 A gives you portability and a 30 ft cable assembly to access hard-to-reach welds
- Adjustable barrel assembly
- Built-in gas valve eliminates the need to purge long gas lines

# Home/Commercial Rental Equipment

## Spectrum® 375

- Rated at 3/8" cut capacity for mild steel
- Cuts with air
- Operates from either 115 or 230 VAC power
- Portable, easy-to-carry unit weighs only 55 lbs with torch

## Millermatic® 135

- Complete ready-to-weld wire welding package welds 24 gauge up to 3/16" mild steel
- 115 V input power and portable design is perfect for homeowner weekend rentals.
- Output range of 30 – 135 amps
- Wire feed speed tracks voltage — making it easy to setup and adjust

## Millermatic® 175

- Output range of 30 – 175 amps
- 230 V input power and portable design is perfect for homeowner weekend rentals.
- Complete ready-to-weld wire welding package welds 24 gauge to 1/4" mild steel
- Wire feed speed tracks voltage — making it easy to setup and adjust

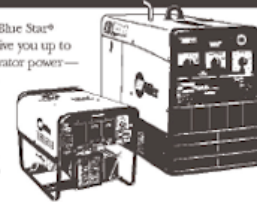

## Millermatic® 251

- The leader for in-shop repair welding, and the best welder for a rental service shop— an easy-to-use, all-in-one MIG wire welder.
- Designed to weld 22 gauge - 1/2" metal
- Wide output range of 30 - 300 amps
- Easily adapts to Aluminum— simply add optional Spoolmatic® 30A (no extra module required)

## Need Emergency Power?

Miller Bobcat™ and Blue Star® generator/welders give you up to 10,000 watts of generator power— plus up to 250 amps of welding power— all in one machine!

We have a complete line of Miller generator/welders in stock now!

**Central Welding Supply Company**  
Locally owned and operated since 1975...

19 Locations in the Puget Sound Area!

**ANACORTES, WA**  
9026 Molly Lane  
Anacortes, WA 98221  
(360) 299-8625  
Fax (360) 299-8907

**AUBURN, WA**
