TECHNICAL QUESTIONS

Bring your technical questions to the meeting (any subject) or write them there and leave at the registration table or hand them to Steve Pollard.

They will be discussed and hopefully answered during the dinner hour.

Students: There are excellent opportunities for learning and networking at our monthly dinner meetings. Meet other students and become acquainted with industry professionals in the Puget Sound area. There are also many scholarships available to students who are studying welding, fabrication, or welding engineering. Information is available on our website:
