RENTAL EQUIPMENT DIVISION

Rental Welders and Equipment for Construction, Industry, or the Home Shop

Construction/Industrial Rental Equipment

Trailblazer® 302

- Professional Welder's Choice
- 11,000 watts of generator power with exclusive two-generator system
- No interaction between power tools and the welding arc
- Fully enclosed case decreases sound
- Largest fuel capacity for longest run time – 12 gallons

Daily	Weekly	Monthly
\$40	\$125	\$295

Big Blue® 400

- Diesel engine-driven welding generator designed for fleet applications.
- Provides CC/CV weld output for professional quality Stick electrode, TIG, MIG and Flux Cored wire welding, plus Air Carbon Arc gouging.
- Automatic engine shutdown protects engine if low oil pressure or high coolant temperature occurs
- Industrial-grade, sealed marine ignition switch with starter interlock

Daily	Weekly	Monthly
\$65	\$200	\$475

XMT® 350 CC/CV

- Multi-process DC inverter power source
- Auto-Line technology allows for any input voltage from 208-575 V with no manual linking
- 350 amps at 34 volts, 60% duty cycle
- Inverter technology provides greater control for superior E6010 Stick performance

Daily	Weekly	Monthly
\$40	\$110	\$250

XMT 350 Rack (4 units)

- Enclosure for up to six inverter power sources in one versatile and space-efficient package.
- Ideal system for onsite applications including high-rise construction, process plant and petrochemical.
- Operates with primary voltage from 208 to 575 VAC and is equipped with "finger safe" fuses to comply with NEC guidelines.
- Racks have two lifting eyes for transportation and rugged skids for dragging and pushing.

Daily	Weekly	Monthly
\$140	\$400	\$1,000

SuitCase® X-TREME™ 12VS

- Lightweight, portable feeder with 12 inch diameter spool capacity
- Potted and trayed main printed circuit board for the harshest environments adds exceptional reliability
- Improved contactor and overall duty cycle for high-amperage applications (425 A at 60%)

Daily	Weekly	Monthly
\$35	\$80	\$150

Maxstar® 150 STL

- Portable in the shop or at the jobsite – at 13.7 lbs the shoulder strap allows the end user to easily move from location to location
- Auto-Line™ circuitry automatically connects to 115-230 VAC, single-phase power
- Lift-Arc™ start provides TIG arc starting without the use of high frequency

Daily	Weekly	Monthly
\$35	\$80	\$150

The Central Welding Supply Rental-Purchase Program

Take advantage of our Rental-Purchase program for ANY new or used rental welding equipment. **70% of all rental paid on any rented equipment can be applied to the purchase of that equipment.** * Ask your Central Welding Supply customer service or sales representative about details, terms and rates. It's a GREAT way to upgrade your shop equipment without the huge upfront cost of buying new or used equipment and/or welding packages.

* On approved credit. Rental credit applies only to the unit(s) rented and cannot be transferred to another unit. Rental credit cannot be applied after equipment has been returned.

RENTAL EQUIPMENT DIVISION

Rental Welders and Equipment for Construction, Industry, or the Home Shop

Home/Commercial Rental Equipment

Millermatic® 140 Auto-Set™

- The easiest, most affordable all-in-one MIG to setup and start welding
- 115 VAC, 90 A at 20% duty cycle
- Spool gun compatible—welds aluminum from 18 gauge to 14 gauge

Daily	Weekly	Monthly
\$35	\$80	\$150

Millermatic® 180 Auto-Set™

- The most powerful and smoothest starting machine in its class
- 230 VAC, 135 A at 30% duty cycle
- Spool gun compatible—welds aluminum from 18 gauge to 1/4 inch

Daily	Weekly	Monthly
\$35	\$80	\$150

PLASMA CUTTERS

Spectrum® 375 X-TREME™

- Rated at 3/8" cut capacity for mild steel
- Multi-voltage plug (MVP™) allows connection to 115 or 230 V without tools
- Portable 18 lbs
- Auto-Line™ automatically switches from 115 - 230 VAC power

Daily	Weekly	Monthly
\$35	\$80	\$150

Millermatic® 252

- For welding metals as thin as 22 gauge and up to 1/2 inch thick
- Infinite voltage control with digital meters has self-calibrating meters that permit pre-setting of voltage and wire feed speed
- Superior MIG aluminum welding with direct hook-up for all Miller push-pull guns and Spoolmatic® 15A/30A spoolguns – no module to buy or install

Daily	Weekly	Monthly
\$40	\$125	\$295

Spoolmatic® 30A

- Engineered for operator comfort, the Spoolmatic 30A gives you portability and a 30 ft cable assembly to access hard-to-reach welds
- Adjustable barrel assembly
- Built-in gas valve eliminates the need to purge long gas lines

Daily	Weekly	Monthly
\$40	\$90	\$175

Spectrum® 625 X-TREME™

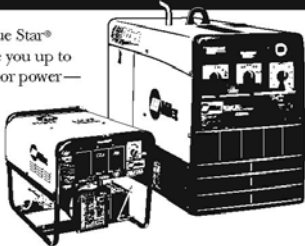

- Weighs only 21 lbs
- Powerful 40 amps cuts up to 5/8 inch
- Simplified user and built-in auto features save time by making adjustments for you
- X-CASE™ for easy transport and storage

Daily	Weekly	Monthly
\$40	\$125	\$295

Need Emergency Power?

Miller Bobcat™ and Blue Star® generator/welders give you up to 11,000 watts of generator power—plus up to 250 amps of welding power—all in one machine!

We have a complete line of Miller generator/welders in stock now!

Central Welding Supply Company
