Hypertherm

Educational program claim form

Hypertherm offers a flat discount for Powermax® system sales to educational institutions and an added discount when a trade-in accompanies the sale. See below options for obtaining credit.

Program qualifications:

- To qualify for an educational discount, the purchase must be for a Powermax30, 45, 65, 85, 105 or 1650.
- Competitive systems traded-in must be destroyed. Hypertherm systems may be used for resale, rental or parts.
- To qualify for a torch trade-in, the purchase must be for an RT80 retrofit torch, or a Duramax MRT, HRT or HRTs.

Section A: Fill this section out in its entirety to ensure correct processing of your credit.

Section D: Educational product bundles

Hypertherm offers special bundled packages that are priced at the reduced educational rate and are available to authorized Hypertherm distributors at the *standard distributor system discount*. These Powermax systems come bundled with **Plasma Cutting Technology: Theory and Practice** curriculum – the most comprehensive, ready-to-teach plasma-cutting curriculum on the market. Bundled orders (part numbers listed below) must **drop ship direct from Hypertherm** to the educational facility. **Note:** Trade-in credits are already factored into the price for these part numbers
